### For Reflection...

‘Daily I was God’s delight... delighting in the human race.’

In Proverbs 8:1-4, 22-31, we meet Wisdom. Wisdom was present with God in the act of creating and continues to be with us, calling us to justice and righteousness.

Wisdom provides many details of God’s Creation, reminding us she was there for all of it.

How do you experience God’s wisdom in your world today?
